The SDHSAA serves the citizens of South Dakota by providing leadership opportunities to our young adults through a wide variety of athletic and fine arts programs. The values instilled by these SDHSAA programs coincide perfectly with the seven Army Values that the Soldiers of the South Dakota Army National Guard live by. The values of loyalty, duty, respect, selfless service, honor, integrity, and personal courage are the fundamentals that our leaders of tomorrow share in common, and the foundation for building up our communities, state, and nation.

Sanford Health supports the SD High School Activities Association co-curricular athletic and fine arts programs because they provide students with life-long lessons about the value of their health and wellness as well as dedication, teamwork, sportsmanship, culture, and balance. Together with their teachers, families, and communities, co-curricular activities help ensure our students get the most from their education. The leaders we need in health care and other occupations can shape a better future for us based on their experiences in high school co-curricular events. Sanford Health is pleased to be a sponsor for them and congratulates all the student participants for their efforts.
